

## **Sample Project Report Format**

### **1. Introduction**

Motivation

Significance of the project

Scope of the project

Applications

### **2. Literature Survey**

Existing Survey

Gaps identified

### **3. Design and Implementation**

Components Required (Software Requierments,Hardware Componets, Description of the components)

Circuit Diagram

Implementation Details

Code

### **4. Test Cases**

### **5. Snapshots**

### **6. Conclusion**

### **7. References.**

## **General Instructions.**

- Recommended Font and Size: **Time New Roman, 12** .Headings : **Times NewRoman : 14**
- Line Spacing :**1.15**
